

Gettysburg Language Institute

Objective

**English Language study and Cultural Immersion
program in the United States for High School students**

3 weeks in July

3 weeks in August

Location

Classes for the program will take place at a designated location in Gettysburg. Gettysburg is a small, touristic and famous town and the site of the American Civil War, where the Gettysburg battle took place. It is also known as the place, where Abraham Lincoln delivered his famous Gettysburg Address. The town is surrounded by National Parks and very close to Washington DC and Baltimore.

There are wonderful facilities at the local YWCA suitable for Walkouts, swimming and other student activities during the summer. Students will live with host families, while in town. They can use all the facilities at the local YWCA, including the gym, sport rooms and indoor pool at reasonable price to be negotiated by the institute.

+ PROGRAM AND DURATION

The program lasts approximately 3 weeks during, which students learn English and visit interesting cities and states in the U.S.A.

Classes will take place in two sessions, one focused on grammar, reading and writing skills and a second one based on communicative activities, which will focus on listening and speaking skills.

Classes will be in the mornings. In the afternoons, students will engage in activities such as, go to the movies, and visit the surrounding areas in a special coach including walking to get a better view of the town and its surroundings. They will have the opportunity to associate with their peers from around the world and the town of Gettysburg, when possible to help them communicate better and practice.

Travels And Excursions

Washington DC

During the weekends, there will be a day trip to Washington DC, to see important Washington monuments, Museums, the World War II Memorial, the White House and many more as time permits.
